

Licensing Information

An advisory inspection may be requested by a prospective buyer. During this inspection the physical facilities are assessed for DATCP code compliance which does not necessarily include building code compliance. The fee for the services is \$175. If the buyer proceeds with the purchase, the fee is applied to the licensing fee.

THINGS TO REMEMBER

- A license must be obtained before opening to the public
 - Licenses are NOT transferable
- All licenses expire June 30th of each year
 - License fees are not prorated
